### New Equipment Purchased:

- **Takeuchi 3.5 tonne Excavator.** Quite simply more power.
- **Flextool Compact Vibrating Plate.** Perfect for those small paving areas.
- **36" Bartell Trowel Machine.** For that professional finish.
- **Germi G9P Petrol Cold Wash.** Clean roofs and floors with ease.

**New Flextool Compact Vibrating Plate now ready for Hire**

## Excavations are now even easier with Kerr's

Kerr's Northside Hire has recently added a new 3.5 tonne excavator to its expanding earthmoving fleet. The new Takeuchi TB135 boasts a 3 cylinder, 21 kilowatt Yanmar diesel engine combined with 4 large hydraulic pumps, the excavator will make light work of any trench. A full range of buckets are available including 300 & 450mm dig buckets and a 1200mm mud bucket.

The excavator has a minimum width of 1630mm and a maximum height of 2450mm. The excavator also has a maximum digging depth of 3100mm.

Other features include rubber tracks, backfilling blade, roll over protec-

tion system and a hydraulic hitch for changing buckets remotely. Call Kerr's Northside Hire for a quote today or, visit [www.kerrshire.com.au](http://www.kerrshire.com.au) for more information.

## Always something new at Kerr's

Kerr's Northside Hire has invested in two specialty Concrete and Compaction machines. These machines are used by the professionals, but they are now available for hire through Kerr's.

To achieve a smooth flat concrete finish concreters know a good quality machine is required. The Bartell 36" finishing trowel machine has a Honda 5.5 hp Motor which is enough power to drive the 36" floating pan, combined with the finishing blades dead flat floors can be achieved.

Often compaction equipment is very large and quite heavy, which makes it very difficult in tight areas. But now there is an alternative. The Flextool Compact vibrating plate is only 360mm wide and 560 mm long making it a lot easier to access those very tight areas.

Call Kerr's Northside Hire for a quote today or, visit [www.kerrshire.com.au](http://www.kerrshire.com.au) for more information.

**KERR'S NORTHSIDE HIRE**

## 100 % Geelong Owned and Operated.

Acquisition of local hire yards seems to be becoming a standard practice with larger national companies branching into regional areas. Kerr's Northside Hire however is still 100% Geelong owned and operated. For over 24 years Kerr's has been a family owned business which was started by Gary & Heather Kerr in 1982. With the inclusion of son Jarrod Kerr as Hire Manager, Kerr's has over 40 years of local hire knowledge and gives customers greater access to friendly & helpful advice.

New and trouble free hire equipment is only part of the business, for over 15 years now they have been sales and service agents for a large range of construction equipment. To enhance this sales and service division Kerr's is currently completing showroom renovations that will allow them to display and store a larger range of equipment that will be readily available for use by customers.

### Meet a Staff Member.

**Name:** Shaun Mc Farlane

**Age:** 31

**Star sign:** Libra

**Place of Birth:** Geelong, Australia

**Title:** Workshop Manager

As well as supporting their local customers, Kerr's is proudly supporting the local community. Jarrod Kerr explains "We have supported local charity events for North Shore Primary, Winchelsea Primary schools and Kardinia International College. We have also assisted local sporting clubs including Bell Park

Soccer Club, Meredith Motorcycle Club and the Geelong & District Football League. Kerr's has also supported such events as the Geelong Football Club's Family day, Anakie's Rock the Bush & the Lions Club Family Day."

**Kerr's Northside Hire would like to apologise for any inconvenience during showroom renovations. An exciting new equipment display will be completed in May - June 2006.**

#### How do you spend your weekends?

Racing motocross, and if I'm not there I'm at the pub with mates. Cheers!!

#### What was your ambition as a child?

I wanted to be a Vet, However at the time there were no jobs available.

#### I wish I Had...??

A huge house on a large lot of land.

#### When I retire I plan to...??

Well I haven't thought of it yet but...., might travel around Australia in a caravan like everyone else.
