New Graco HVLP Spray Gun ready for hire.

Larger Showroom , Larger Range.

Kerr's Northside Hire has completed renovations to their new showroom. This new showroom will display more new equipment which includes Flex-tool Trowels, Vibe Plates, Shafts & Pumps, Partner Demo Saws, Dimas Floor & Masonry Saws, Robin Generators and Topcon laser levels.

In addition to a large equipment display Kerr's has recently become the Graco, Wagner and ASM spray painting warranty and service agents for the Geelong & Surf coast region. The signing of these new agencies will allow Kerr's to provide quality service & repairs to the large painting industry.

Kerr's New showroom stocking the latest equipment for sale.

To celebrate the opening of this new showroom Kerr's is offering up to \$50 off new equipment sales, valid to the end of September. Call Kerr's Northside Hire for a quote today on 52786011 or visit www.kerrshire.com.au for more information.

Online Accounting Now Available.

For over 24 years Kerr's Northside Hire has been a leader in providing customer service for the Geelong & the Surf coast areas. To continue this quality of service Kerr's Northside Hire has purchased a new software program that can link your current account to the Internet and allow customers to view their accounts online, print off invoices and remittance advices and view items currently on hire.

Once accounts are set up, invoices and

statements will be available for viewing the day after the sale or hire has been invoiced, at this time an electronic remittance can be processed for unpaid invoices. This remittance can be faxed or mailed to Kerr's Northside Hire as confirmation of your payment.

Kerr's believes this will benefit customers by allowing prompt invoicing to their clients. For further information contact Jarrod Kerr on 5278 6011.

KERR'S NORTHSIDE HIRE

Equipment On Demand

New D.I.Y. Carpet Cleaner now ready for hire.

Equipment on demand, now that's a great concept. At Kerr's Northside Hire we try to provide this service to all of our customers by purchasing the latest equipment. Recently Kerr's has had several enquiries by customers to be able to clean their carpets, paint their fences and prune branches off their trees. Kerr's has now purchased items that can now do all these jobs.

Carpet Cleaning can be a costly exercise, but not any more. Kerr's Northside Hire has now purchased a chemical carpet cleaning machine that is designed specifically for the D.I.Y. user. The cleaner comes with a standard carpet head as well as an upholstery & stair head. The cleaner uses chemical solution in the storage tank

Meet a Staff Member.

and it is sprayed on the carpet by the head and vacuumed up into the recovery tank.

Spray painting is made easier with Kerr's new Graco HVLP spray gun. This new spray gun is designed for those small paint jobs around the home, The HVLP system allows controlled spray painting with out all the mess of a conventional airless system. The spray gun is perfect for painting doors, furniture, fences and lattice.

Branches are can now be trimmed with a ease thanks to the Stihl Pole Chain saw. With a 300mm long cutting blade and 2100 mm long shaft it has a maximum cutting height of 3.5 m. The saw runs from a 2 Stroke 85cc motor which provides enough power to make cutting a breeze. Also available is a cheaper hand pole saw for those smaller jobs. For further information contact us on

5278 6011 or visit www.kerrshire.com.au.

Kerr's Northside Hire will be celebrating 25 years this Christmas so be on the look out for specials leading up to this celebration.

How do you spend you weekends?

House Renovations & Hangovers!!!

What was your ambition as a child?

I wanted to be a P.E. Teacher but that meant I had to be at school for a long time. I also wanted to be a Rock Star but I had no talent.

I wish I Had...??

Fame & Fortune

When I retire I plan to...??

Do Nothing!!!
